

Quiz flash cards

Argentina 101

How to Play

- 1 Each colleague became a player card — a nickname, an OVR rating, and four scouting-report clues from a survey.
- 2 One team's four cards go up hidden (silhouette). The other team studies the clues and discusses.
- 3 Each team locks in its 4 guesses on the scoring sheet before any reveal.
- 4 Cards are revealed one by one — real name, real face.
- 5 Score 1 point per correct match, +2 bonus for a perfect round of 4/4.
- 6 Teams switch roles, then totals are added up. Highest score lifts the Cup.
